PATIENT INSTRUCTIONS

PLEASE READ CAREFULLY

- Call (661) 949-8111 to schedule or reschedule your appointment, or for more information
- Please arrive 15 minutes early. Wear comfortable clothes.
- Bring any previous relevant studies (X-rays, bone scans, MRI, Ultrasound)

MAGNETIC RESONANCE IMAGING (MRI)

- **IMPORTANT:** Let us know if you have a pacemaker or intracranial aneurysm clips, nerve stimulators, metallic implants, stents or metal fragments in your eyes or body.
- Avoid wearing jewelry that would be attracted to a magnet.
- Wear clothing without metal clips and buttons. Jogging suits are recommended.
- If you are a **CLAUSTROPHOBIC**, please inform the scheduling clerk. You may need to arrive one hour prior to examination for medication. **DRIVER** may need to accompany patient after the exam.

CT IMAGING

- **With IV Contrast:** Do not eat or drink for 4 hours prior to exam.
- **Allergic to Iodine:** Call AIC immediately for instructions
- **Abdomen/Pelvis:** Pick up “prep kit” or oral contract from AIC the day before the exam and receive instructions. Have nothing to eat or drink after midnight. Arrive 30 minutes before exam.
- **Chest/Sinuses:** Bring most recent x-rays.

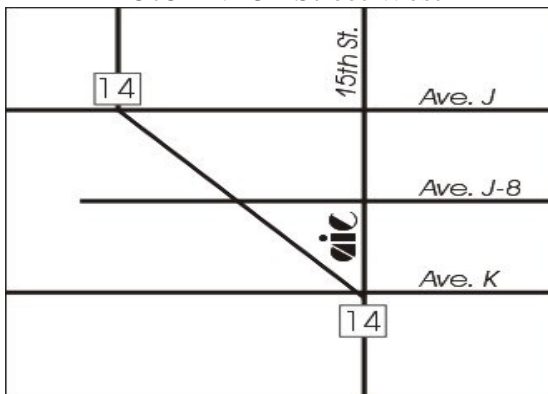

ULTRASOUND

- **Abdomen:** Do not eat or drink 4 hours before the exam.
- **Pelvis:** Drink 32 ounces of fluid and finish one hour before exam. **DO NOT** empty your bladder.

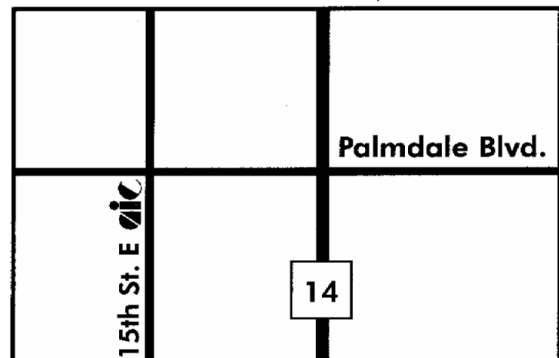

NUCLEAR MEDICINE/SPECT

- **PET:** Call AIC for instructions.
- **Gallium Scan:** Injection 24 hours before scan. If ruling out a tumor, scan done 48-72 hours later. Scan takes 2 hours.
- **Gallbladder:** No food or water 4 hours before scan. Scan takes 2 hours.
- **Kidney, Liver, Lungs, G.I. Bleed, Heart SPECT, Brain SPECT Scan:** No preparation. Scan takes 1 hour.
- **Bone Scan:** Injection 3 hours before scan. Scan takes 45 minutes.
